What is a Business Plan of Action?

- We look at the “big picture” of your business. We identify what is working, note what is not, and document everything we uncover, in an unbiased fashion
- We conduct an analysis of your team and team acquisition system, including full DISC/Motivator assessments for key team members. The results of the assessments, including a team personality mapping grid, will also be included in your final plan. (max of 6 per BPA)
- We create a time-based and action-driven plan, broken down into the 8 disciplines/pillars of the industry.
- We provide unique ideas and strategies for your sales process and system, marketing, internal processes, cash flow tracking, and more. At the end of our process, you can expect an accurate, personalized, step-by-step plan that's tailored to your needs.
