How Did You Get Started In The Skilled Trades?

I first began helping out in the office to relieve my husband of some of his office duties. I have since begun to work directly with clients and act as a liaison with their product selection process.

If You Could Do It All Over Again, Would You Choose The Same Career Path?

Absolutely!

What Do You Love About Your Career?

I LOVE helping clients LOVE their newly designed space!

What's Your Advice For A Young Person Unsure About The Future And A Career Path?

Learn as much as you can about the industry. Take classes, read periodicals, go to trade shows. Be passionate about serving others!
