

CELEBRATING CAREERS IN CONSTRUCTION

Michael Landis

Owner, Landis Custom Cabinetry & Woodworking LLC

How Did You Get Started In The Skilled Trades?

I was influenced by my Jr. High shop teacher to pursue the gift he saw in my woodworking abilities. I was in the industry most of my life in various roles before I actually took the plunge and took his advice. My only regret is not doing it sooner.

If You Could Do It All Over Again, Would You Choose The Same Career Path?

Yes....Definitely!

What Do You Love About Your Career?

I love visualizing a project then seeing it through to reality. It's satisfying to see the finished result and know you were a big part in making someone's dream come true!

What's Your Advice For A Young Person Unsure About The Future And A Career Path?

There are many opportunities for careers in the construction industry. Not everyone is gifted at doing things with their hands, but there are so many other opportunities in management, planning, design, architecture, etc.
