Scholarship Eligibility

Only senior high school students are eligible, those students already in a post high school course of education or employment are not eligible.

STUDENTS MAY APPLY FOR ONE SCHOLARSHIP ONLY WITH THE YORK BUILDERS ASSOCIATION.

The applicant may be required to be present for an interview.

The students chosen to receive tool scholarships will be selected by the York Builders Association's WorkforceNOW® Committee. Their selection will be determined based on the information provided on the application forms received but without the committee's knowledge of the names or address of those applying.

The presentation of awards will occur during appropriate high school awards programs as determined by the Committee.

The stipend will be distributed in coordination with the student, the York Builders association and a local supply company. At that time a list of required tools will be required and guidance will be provided from an industry professional to ensure proper tool purchase.

Any scholarship award not distributed shall be "rolled over" for distribution the next year. (Approved by the Board of Directors November 19, 2003)
